

Park Location

Paw Print Park is part of Prairie Knoll Park which is a beautiful 40-acre park located on the south edge of Janesville on South Oakhill Avenue. It is surrounded by trees and agricultural fields. MacFarlane Pheasant Farm is nearby and Highway 11 is to the south.

16 acres is fenced for dogs, including an area for smaller dogs. A 26-stall parking lot is located on South Oakhill Avenue. Poop bags are provide along with seating throughout the park. Vaulted bathroom facilities are on site located at parking lot. There is also water service with a hose to wash paws/ fill a dog dish and a fountain.

Dog Park Rules/Etiquette (Continued)

- When you bring children to a dog park, please supervise them closely. No strollers are permitted.
- Don't smoke or eat while at the dog park. Cigarette butts and food wrappers are tempting to dogs, but bad for them.
- Always observe all posted park rules.
- Janesville Parks Division reserves the right to revoke a Paw Print Park permit if the owner does not abide by the park rules.
- Owners are legally responsible for their dog's actions.
- Contact the Police Department non-emergency number at 757-2244 if you experience problems with other dogs or owners.
- The park features an all dog area and a small dog area. No dogs over 25lbs allowed in the small dog area.

Donation Opportunities

The volunteers of Paw Print Park continue to sponsor fundraising opportunities to help fund ongoing improvements to this and other dog parks.

Paw Print Park hats and t-shirts are available for purchase at the Parks and Recreation office. General donations may be sent at any time to:

City of Janesville
Parks & Recreation Divisions
P.O. Box 5005
Janesville WI 53547-5005

Please make checks payable to: City of Janesville

Revised 12/30/22

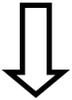

Benefits of a Fenced Dog Park

- Dogs that play hard are less destructive and calmer at home.
- Shy dogs become less afraid and more outgoing.
- Unleashed dogs show less aggression.
- Dogs who are accustomed to other dogs and people become more social.
- Numerous health benefits.
- A fenced play area keeps all dogs safe and prevents other animals from being scared.
- The love people share for their dogs reaches beyond economic and social barriers. Dog parks are a great place for owners to meet with other people that have a common interest.

Dog Park Rules/Etiquette

- **Hours of Operation:** Dawn to Dusk
- **Licenses:** All dogs must be licensed by the municipality in which their owner lives.
- **Permits:** Each dog that uses the dog park must have a permit or must pay the daily use fee. Please be aware that in order to purchase a dog park permit, you will **FIRST need a current dog license from your municipality.** A new permit must be purchased each calendar year.
- **Control:** Dogs must always be under the effective control of the owner. Do not allow your dog to disturb wild-life or interfere with other park users. **If you cannot control your dog off-leash, you must leash your dog and leave the park, so as not to disturb other park users.**
- **Supervision:** City employees will supervise the park usage and periodically check for dog registration.
- Leaving your dog unattended is dangerous to your dog and other park users. Mischief can happen quickly. Stay close to your dog at all times to maintain effective control.
- Don't bring dogs younger than 4 months to a dog park. They won't have all the necessary vaccinations to play safely with other animals.
- The owner or caretaker of each dog is responsible for cleaning up after their dog.
- Don't bring a female dog in season. Spayed/neutered animals are recommended.
- Don't bring more than three dogs to the park at one time. It subjects the park to overuse, and it may be difficult to maintain effective control.
- Keep your dog on-leash until you get inside the off-leash area. This shows respect to other park users and will be much safer for your dog.
