

### **JTS Promotes Small and Disadvantaged Business Enterprise Program**

The Janesville Transit System (JTS) promotes the participation of small businesses, minority and women-owned businesses, and certified Disadvantaged Business Enterprises (DBE) in bidding for contracts using federal funding. JTS encourages these businesses to inform the agency of products and services which they have available by adding themselves to the bidders' list through the [City's website](#) or by phone at (608) 755-3150.

To become a Certified DBE, businesses may contact the Wisconsin Department of Transportation Civil Rights and Compliance Section at (608) 266-6961 or visit the department's [website](#).

For questions, contact JTS at (608) 755-3150.
