

CITY OF JANESVILLE
Wisconsin's Park Place

Next Meeting – October 1, 2012 – 10:00am in Room 416

On Tuesday September 4th, City Staff met with Tim Weber, Jeff Hazekamp and Jon Beckord to discuss the various planning documents that have been rendered, adopted, or conceptualized over the years for the downtown and riverfront. The meeting brought forth a lot of great ideas that have not been realized yet. Many that even City Staff was not aware of.

At our next meeting we will:

- Review the plans discussed with City Staff
- Provide and Update on the Siker Acquisition
- Provide and Update on the Parking Deck

Most importantly, we will be discussing the “Next Steps” for the City’s Brownfield initiative including the application for a USEPA Brownfields Revolving Loan Fund Grant and the USEPA Area Wide Planning Grant.

This will be a very important meeting to attend due to the last item on the agenda. We hope everyone is able to attend.

For any additional questions please contact Al Hulick @ 755-3059 or hulicka@ci.janesville.wi.us
