

THE ENCHANTED FOREST & HOLLYWOOD HAYRIDE

The Enchanted Forest was designed to provide a community-wide special event for families with young children. During the Halloween/Fall Season Janesville is host to a variety of traditional "scary" events. With the focus on haunted houses, haunted hayrides and haunted trains our Department found an opportunity to present to the community a great alternative. . . an event completely void of "fright" and overflowing with "enchantment" hence the Enchanted Forest. The Enchanted Forest was an award winner at the 2003 Wisconsin Parks and Recreation Conference for excellence in recreation programming. The event has evolved over the years to a spectacle like no other in the surrounding area, and is a must-see for families!
