City of Janesville, Code of General Ordinances, Sec. 32.29 New Construction. A property owner shall be responsible for timely submitting a fully completed and accurate stormwater utility service application at the time a building permit is issued or a site plan review is conducted. The application shall be made on a form prescribed by the city and provided with each application for a building permit or application for site plan review. Failure to submit such stormwater utility service application or providing false information on such form shall constitute a violation of this Chapter. The implementation of stormwater charges shall commence as set forth in this Chapter.

*** Storm water utility credit is available for those properties that implement and maintain storm water facilities that exceed requirements. (Chapter 32 Sec. 24d.)**

Official Use: _____
